

26th September 2025

Dear Parents/Carers,

Year 6 SATs Revision Guides

As you will be aware, the children in year 6 will be participating in the end of key stage assessments in May 2026. This is an assessment of their four-year journey through key stage 2 and they will be well prepared when the time comes. We have found that regular practice with the type of questions and in the format, they will experience in the assessments are a good way to prepare. To this end, it has been agreed by the Senior Leadership Team that the children with pupil premium allocations will receive the SATs revision books listed below free of charge.

- Maths revision book
- Maths practice question book
- Grammar, spelling and punctuation revision book

The books are not meant to be worked through rapidly but a 'little but often' approach will help your child to understand the format and prompt their memories

We have provided the resources for your child and we encourage you to support them with their revision for the SATs tests, which will take place in May 2026.

Books will be issued during the week commencing Monday 20th October.

Yours faithfully

Year 6 Team
