### End of Key Stage 2 Assessments 2017

**Context:**

- 64 pupils were eligible for Key Stage 2 assessment of which 4 (6%) were based in the Resourced Provision (RP) for pupils with Moderate Learning Difficulties (MLD).
- Because the pupils in the RP have a cognitive barrier to learning they cannot access the end of key stage assessments. They are however included in the Department for Education published data. We therefore provide two sets of data that includes and excludes these pupils.
- 19 pupils (30%) were receiving Pupil Premium.
- 13 pupils (20%) were receiving SEN Support.
