

Ashley Junior School

Ready • Respectful • Responsible

8th October 2025

Dear Parent/Carer,

We wish to bring to your attention an important issue regarding Puffin Books Spy Dogs/Cats/Pups series written by Andrew Cope.

Hampshire Education have communicated with us that this series of books include a printed web link that has been taken over by a third party, leading to highly inappropriate adult content.

We kindly ask you to check any Spy Dogs/Cats/Pups books at home and ensure that children do not type in or visit the website printed inside. Please rest assured that the books themselves are safe to read; the concern exclusively pertains to the web address.

The school has proactively checked our library and classroom bookshelves to remove any copies as necessary. Our IT provider has been informed of this issue and we will keep families updated should further information arise.

Yours faithfully,

Mrs Bartolomeo

Headteacher
