15th September 2023

Dear Parent/Carer

Year 6 WW1 Workshop 28th September 2023

On Thursday 28th September we are planning an exciting onsite workshop linking with our class novel 'War Horse' and supporting some of our writing units this term.

The War to End all Wars! Is an immersive and inspiring workshop that explores Britain in the early 20th century and the optimism and patriotism that led to thousands joining up to 'beat the Hun', to the reality of life at the front and at home.

Led by a British Tommy, pupils participate in a range of educational activities, explore genuine and reproduction artefacts and discover the life at the front. Through this they gain a memorable insight into what life was like in the army and the trenches.

The workshop focuses on:

- Early War propaganda
- The changing role of women in society
- The impact of the war on children and families
- Life in the army from training to the trenches
- Technological advances - 'they arrived on horseback and flew home in aircraft'.

The cost of the workshop will £5.35per pupil. Please make payment via the school office or your child's online account www.scopay.com by 23rd September 2023. Although we can only ask that this is a voluntary contribution should there be insufficient contributions, the school reserves the right to cancel or postpone the visit.

Yours faithfully,

Year 6 Team
