Dear Parents and Carers,

SURVEY: Wrap Around Care Provision for AIS and AJS families

As you are aware, we have been working hard to source a new wraparound care provider who will deliver high-quality, consistent childcare that enhances pupils' wider development, and we are pleased to inform you that we have invited **ActiveMe360** to take on the provision for our school community, to be based on the AJS site. You can find out more about them here, <https://www.activeme360.com/>.

We are writing to ask for your support in completing a short survey regarding the use of wraparound care for our school community. **In order for ActiveMe360 to understand the need for the services and to effectively take on and manage the provision, it is essential that they have a clear and accurate understanding of the current and future demand.**

Wraparound care—before and after the school day—plays an important role in supporting families with childcare and work commitments. The information you provide will be used to:

- Assess the level of need for wraparound care;
- Help Activeme360 plan a sustainable provision;
- Ensure that any future offer reflects the needs of our families.

Even if you do not currently use wraparound care, your response is still extremely valuable, as it helps towards understanding the wider picture across both schools.

The survey is quick to complete and will make a meaningful difference in helping us secure and shape the provision moving forward:

<https://www.surveymonkey.com/r/X7LQYS6>

We kindly ask that all responses are submitted by **Thursday 30th April, 9.00am.**

Thank you very much for your time and continued support.

Yours sincerely,

Mrs Charlie Bartolomeo
Headteacher & DSL
