

Ashley Junior School

Ready • Respectful • Responsible

Wednesday, 20th May 2026

Dear Year 2 children,

TRANSITION TIME, FROM YEAR 2 to YEAR 3!

We are *really* looking forward to welcoming you into the Ashley Junior School family over these next few weeks. We are sure that you are working very hard and learning lots at the Infant School, but it is not very long before you join us here to be in Year 3!

We want to make sure you are **happy** and **comfortable** about coming to Ashley Junior School. Working with the teachers at Ashley Infant School, we have come up with lots of activities that we hope will help you to settle in to your new school with us.

Here is what we have planned for the next few weeks:

1. Mrs. Dibben and I have arranged for our Years 2 and 3 teachers to talk about you, and what you are good at, as well as organising which class you will be in when you start at AJS this September;
2. Our AJS teachers and children will be producing a 'Welcome Leaflet' to help you with the move – these will be shared with you soon;
3. On the evening of **Wednesday, 17th June** we are hosting a '**Welcome Evening**' at **AJS, from 6:00– 7:00pm**. Your parents/carers will have an opportunity to meet staff, enjoy a tour of the school and ask any questions they may have. You can come along too if you wish! *Your parent/s will also receive a registration letter on the morning of the 17th June, via email, that contains details of your new class and house team;*
4. On the morning of **Tuesday 23rd June**, our teachers will be coming over to AIS to watch you learn and get to meet you;
5. On the morning of **Friday 26th June**, our current Year 3 children will be coming over to you at AIS to meet you all, as they will be your buddies next year;
6. You will be popping over to us on the afternoon of **Friday 3rd July** to watch our Year 6 production in the school hall;
7. Finally, on the afternoon of **Friday 10th July**, you will be coming across to AJS to spend the afternoon with your new class and teacher!

We are all very excited about you coming to our school and we hope you are too. We look forward to seeing you all very soon!

Best wishes,

CBartolomeo

Mrs Bartolomeo
