

Ashley Junior School

Ready • Respectful • Responsible

22nd May 2026

Dear Parent/Carer,

From September 2026, we will be updating our Learning for Life curriculum (PSHE/RE) to ensure it is fully in line with the new statutory Relationships and Sex Education (RSE) guidance.

Following careful review, we will be using the Kapow scheme of work to support the delivery of our curriculum across the school. The programme has been designed to provide age-appropriate learning that supports pupils' personal development, wellbeing, relationships, and understanding of the wider world.

We would like to invite parents and carers to attend one of three short information meetings on Thursday 25th June at:

- 9.15am
- 2.15pm
- 5.00pm

During the meeting, you will have the opportunity to:

- View curriculum overviews
- Look at sample resources
- Find out more about the programme
- Ask any questions you may have

Please complete the Google Form below to indicate which session you would like to attend.

We look forward to working together to support our pupils with this important area of learning.

Yours faithfully,
