

Ashley Junior School

Ready • Respectful • Responsible

Friday, 3rd July 2026

Dear Parents/ Carers,

Warm weather forecast: 6th – 10th July 2026

As we start to count down to the end of term, the warm weather is making a comeback!

Next week, once again, we will be putting the following measures in place at school:

- children can come to school in PE kit all week, or in school uniform with shirts untucked. Children should NOT bring in or wear jumpers, cardigans, fleeces, or AJS hoodies;
- children should also come to school wearing a named sun-hat and have a named water bottle, with sunscreen already applied at home;
- regular 'hydration breaks' will take place (World Cup style!) and their named water bottles will be able to be re-filled when necessary.

As you are aware, there are no legal legislations for classroom temperatures, but we will continue to try our best to ensure that the children, and staff, are as comfortable as possible during next week:

1. Morning Breaktime - outside (play in the shade, wear hats, have access to water bottles);
2. Lunchtime play – inside, if necessary (access to water bottles, blinds down, doors open);
3. Afternoon PE lessons- inside (using the gym/hall).

Please also note that in line with the Department for Education guidance, and other local schools, there are no plans to alter the school day on Monday 6th July, following the Men's England Football Team's latest World Cup match; AJS will be open as usual.

We hope you all have a lovely weekend and we look forward to seeing the children next week.

Kind regards,

Mrs C. Bartolomeo

Headteacher and DSL
