Fire Evacuation

This week, we conducted our regular fire evacuation practice at school, and we were incredibly proud of how well the children responded. They remained calm, listened carefully to instructions and evacuated the building quickly and efficiently. Regular fire evacuation practices are an important part of keeping our school community safe. They help children become familiar with the procedures they would need to follow in an emergency, including knowing the appropriate escape routes and assembly points. Well done to everyone for their excellent behaviour and cooperation!

Parent Welcome Meetings

Thank you to everyone who was able to attend our Parent Welcome Meetings. We hope you found the meetings informative, useful and valuable as you begin the new school year with us. For those who were unable to attend, the presentation slides from the meeting are available to view on the school website under the heading: News & Events - Parent Meetings Information.

We look forward to working in partnership with you and supporting your child throughout the year.

Arbor

Stay Connected with the Arbor Parent Portal
We would like to remind all our parents and carers about the Arbor Parent Portal, a convenient digital tool that helps you stay connected with your child's school life.
Through the portal, you can:
View and manage your child's information
Make payments for school activities, including trips and meals
Book appointments for parent-teacher consultations and parents' evenings
Need help?
If you haven't received your Arbor login details, or if you need support accessing or using the portal, please contact the school office team.
Thank you for your continued support! 😊
