Dear Parents/Carers,

Re: Wraparound Care @ AJS: UPDATE

Thank you very much to those families who took the time to complete the most recent survey about the need for Wrap Around care at our school. We were very pleased to see that there is a demand and we are excited to share that we will be launching **AJS EXTRA** very soon!

In response to the survey results, we have now secured a staff team to run the breakfast and after school club offer, and our next steps are to ensure that the appropriate statutory training is completed in a timely fashion.

With this mind, and noting that the half term break is just ahead of us, we will endeavour to return to families as soon as possible with an official start date for the **AJS EXTRA** launch, and information on how to book etc.

Thank you for your ongoing patience – we do appreciate that the change in WAC provision has been very challenging, once again, for many of our families.

Kind regards,

Mrs C. Bartolomeo

Headteacher and DSL
