

# Ashley Junior School

Ready • Respectful • Responsible

5<sup>th</sup> January 2024

Dear Parent/Carer,

## **SATs Booster Sessions**

Year 6 children are invited to attend SATS Booster sessions in preparation for the tests commencing May 13<sup>th</sup>. These sessions are offered to all Year 6 pupils from Monday 8<sup>th</sup> January:

After school - Mondays 3.30 - 4.15p.m

Before school - Tuesdays, Wednesdays and Thursdays from 8.15am -8:45am.

Children will need to arrive via the school office to be registered.

Although sessions are optional, we strongly encourage all children to participate and ask them to bring their SATs Revision books along to the sessions. These books are still available to purchase via the office. Children will be offered a biscuit during the sessions and we ask that you inform us if you do not want your child to have a snack.

We hope you encourage your child to join us regularly, as the sessions have proven to be highly successful in previous years.

If you wish for your child to attend please complete the e-form.
