Dear Parents,

## OFSTED INSPECTION REPORT – 5<sup>th</sup> and 6<sup>th</sup> December 2023

We are very pleased to be able to share with you the final report for our recent Ofsted inspection; as you will read, **Ashley Junior School continues to be a good school.**

We were so proud of how our children demonstrated how 'READY, RESPECTFUL and RESPONSIBLE' they are in their approach to learning and friendships, showing just how committed they all are to trying their very best whilst here at AJS.

Thank you very much for your support and kind words during and after the inspection – it was a very rigorous process, in which we were able to celebrate our wonderful school 'family'.

Thanks, in particular, goes to our whole staff team and governors for the passion and commitment they give to our school community, day in, day out. They all work so hard for your children, and this is, quite rightly, reflected in the inspection report.

Thank you everyone – *very well done, AJS!*

Kind regards,

*CBartolomeo*
