Thanks goes to the fantastic Year 4 team, children and staff, for creating, rehearsing and performing a wonderful celebration of Harvest at AJS. How will we ever be able to forget 'I want to grow beans!' to that classic Queen track!

Thank you also to all of the AJS community for donating to our collection for New Forest Basics. We will be delivering all of the harvest contributions to the charity next week.

## COMMUNICATION NEWS!

Parents will have received login details for the **AJS Arbor Parent Portal**.

Arbor is our school database, which holds all of your child's key data.

This information includes your address and contact details.

Arbor can be accessed either through a web browser or an app on your phone. The app also allows you to confirm the contact details we have on file for you.

**PLEASE SIGN UP TO THE AJS ARBOR PARENT PORTAL TODAY!**

**PARKING ISSUES:** We have been made aware that some of our parents have been parking in very unsafe ways in Normans Way at school pick-up time. Please do not park up on the pavement or in between any cones placed there.

Our families should be able to walk safely on the Normans Way pavement without it being blocked. In addition, families using prams and buggies, and members of our community who use mobility scooters and wheelchairs, should be able to use clear pavements at all times.

If you wish to complain about unsafe and inconsiderate parking, please contact Hampshire County Council directly, as the school has no direct control over the highway: <https://www.hants.gov.uk/transport/parking/parking-contravention>.

**Thank you for your help with this.**

Attendance Matters

**Families can take various steps to support pupils' attendance, so that every child is READY for school:**

- create opportunities, after school, for children to talk about their time at school
- staying up to date with all communications from school
- avoiding school absences where possible – for example, by arranging GP and dental appointments outside of school hours
- building consistent bedtime routines – sleeping well, for the right length of time, helps improve energy levels, mood and concentration
- establishing good morning routines at home to help children arrive at school on time, having had a good breakfast and ready to start the day

**Attendance Figures**

**Did you know? 90% attendance may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss 19 days of the school year ...which is nearly 4 weeks!**

**97% and above** - Less than 6 days absence in a school year. Pupils with this attendance should achieve the best possible outcomes.

**96%** - 8 days absence in a school year. "Good attendance". Pupil with this attendance are more likely to achieve their targets.

**92%** - 15 days absence in a school year. Pupils with this attendance are missing 3 weeks of school per year; it will be difficult for them to achieve their best. AJS may ask for medical proof to authorise absences.

**90%** - 19 days absence over the school year. Pupils with this attendance are missing approximately a month (19 days) of school per year and may fall behind academically and socially. With this level of attendance, the Department for Education consider children to be a 'Persistent Absentee'. Parents will receive letters about attendance and be asked for a meeting to discuss attendance.

**85%** - 29 days of absence in a school year. These pupils are missing approximately 6 weeks of school a year. It will be very difficult for them to keep up and achieve their best and build relationships in school.

**80% - 75%** - Pupils with this attendance are missing a day for every week of school! It will be almost impossible to keep up with their work. Parents of pupils with this level of attendance will be made known to the Hampshire local authority Attendance Team and also may face legal action if there is no medical or other authorised reason for their child's absence.
