Dear Parents / Carers

As you may be aware, Planet Education, which was commissioned to operate several Holiday Activities and Food (HAF) schemes next week at venues across Hampshire, will now be unable to deliver its services, due to the company entering liquidation.

This means that HAF provision will not operate during the Christmas holidays at the following venues:

- **Applemore Health & Leisure**, Claypits Ln, Dibden, Hythe, Southampton SO45 5TN
- **Chalk Ridge Primary School**, Sullivan Road, Brighton Hill, Hampshire, RG22 4ER
- **Fareham Leisure Centre**, Park Ln, Fareham PO16 7JU
- **New Milton Health & Leisure**, Gore Rd, New Milton BH25 6RR
- **Gosport Leisure Centre**, Forest Way, Gosport PO13 0ZX

We understand that this is disappointing so close to the school holidays, and we appreciate the importance of access to HAF schemes for all families affected. Our team has been working hard to secure alternative provision at neighbouring HAF locations wherever possible. The alternative venues that have capacity / agreed to take extra children next week are:

To transfer your booking to one of the above providers, contact them using the links above and quote 'Planet Education' in your email, when telephoning, or in a free text field on their booking form. This will prioritise your request. We have added capacity at schemes to cater for additions but unfortunately cannot guarantee a place.

We recognise that not everyone will be able to change their booking to an alternative provider. For those children / families unable to access an alternative venue, we are able to offer a food voucher to cover the costs of the food that would have been included within the HAF provision. To access the food voucher, please use the link below to complete the online form. This is an offer for those already booked onto Planet Education sessions as HAF attendees only. Food vouchers will be distributed electronically.

Although every effort has been made to arrange suitable alternatives for all affected, due to the short notice of this withdrawal, we understand that not all options will be suitable in every case. If you have further concerns or questions, we urge you to contact connect4communities@hants.gov.uk, as we may be able to provide further support.

Kind regards
