29th February 2024

Dear Parent/Carer,

Year 4 Anglo-Saxons and the Vikings Day 2024

Thursday 14th March 2024

To help with our understanding of the Anglo-Saxons and the Vikings, our History topic this term, we have planned some exciting learning experiences to enthuse the children.

On **Thursday 14th March**, we will be having an Anglo-Saxons and the Vikings day where the children will be completing a variety of indoors and outdoors activities and meet a real archaeologist.

If possible, the children should come to school dressed in Anglo-Saxons and the Vikings clothing. We do not expect you to purchase something new, please keep the costumes simple. Ideas and images are below. An oversized T shirt and a belt could be used to create an Anglo-Saxon or Viking outfit.

If your child has any dietary requirements that the school is not aware of, please can you update your child's details through Arbor.

We appreciate all your support.

Yours faithfully,

Mrs Harvey and Mrs Bunnett

Year 4 Team
