

Ashley Junior School

Ready • Respectful • Responsible

15th May 2024

Dear Parent/Carer,

The Year 4 team would like to make you aware of two activities happening next week during our Community Connection and Enterprise week based upon the theme 'Plastic Fantastic'.

On Wednesday 22nd, we are opening our classroom doors to welcome you in and have arranged for the children to share a craft activity with a family member to make something fantastic out of plastic. The session will run from 9:00am till break time at 10:15am. Please complete the e-form to let us know who the family member is that will be joining your child. Click here <https://forms.office.com/e/WfAaucjd2t>

Then on Thursday 23rd, the children will have a short off site activity taking part in a beach clean at Milford on Sea. There is no cost to the trip and will be travelling by school minibus. The year group will be split into small groups and visit the beach at various time slots during the day. Please ensure that your child wears school uniform and sensible footwear for this activity.

We are really looking forward to next week, especially the opportunity for you to visit us in our classrooms.

Kind regards

The Year 4 Team
Mrs Harvey & Miss Brooker
