

Ashley Junior School

Ready • Respectful • Responsible

17th September 2024

Dear Parents/Carers

We are very fortunate here at Ashley Junior School to have IT equipment for all children, including iPads and headphones. Each child is made aware that they are responsible for their allocated equipment for the entire time they are here at AJS.

The financial outlay to the school for this equipment is considerable, as are the ongoing costs of repair and replacement of these items. We do recognise that there is general 'wear and tear', as well as some genuine accidents that occur, during the time that the children use the equipment. However, where damage occurs due to deliberate mistreatment of equipment, please be aware that we will seek replacement or repair costs from the child's parent/carer, as the school is not in a financial position to cover such costs in these instances.

We will continue to reiterate with the children how important it is to look after, and be responsible for, their allocated IT equipment; your support with these messages is greatly appreciated.

Kind regards,

Mr Cousins
IT Systems manager

Mrs Charlie Bartolomeo
Headteacher & DSL
